Help Family Businesses Make It to the Next Generation

Terrance K. Resnick, a partner in Resnick Succession Group (formerly Resnick Associates), a nationally recognized business succession, estate planning, and life insurance advisory and implementation planning firm with offices in Philadelphia and Kansas City, was the featured speaker at the Bridgeton Area Chamber's February 25 meeting, noon, at Green Olive Restaurant in Hopewell.

Terrance Resnick talks about Succession Planning on Sept. 25

His presentation started with a warning that only 1/3 of family controlled businesses in the United States survive into the next generation. Terry provided techniques to improve the chances that businesses continue into the future and addressed some of the critical mistakes that are common among successful business owners. He talked about the upcoming January 1, 2026 change in federal tax and how to substantially save tax dollars by proactively planning for the change.

He added that United States Supreme Court decision (Connelly v. United States of America) will cause massive additional taxation for certain business owners depending on the type of Buy-Sell Agreement they have for their companies and how it will be funded.

Terry Resnick's presentation including ideas for assuring the long term continuation of their companies. The importance of legitimate valuations in regard to protecting and transitioning companies as well as massive tax savings, liquidity mistakes that often times cause the loss of millions of dollars, yet could legally be avoided, importance of understanding the specifics of business succession legal documents, and understanding of buy-sell agreements.

You can contact Mr. Resnick with questions and for more information at terry@resnickassoc.com and www.resnicksg.com.

Chamber Foundation Supporting Projects for Students at Bridgeton High School & Cumberland Regional High School

Thanks to Jon Cummings, Chamber President for contributing to this article.

The Chamber is excited to be part of an incredible community and is supporting the efforts of our high schools (Bridgeton and Cumberland Regional) in providing opportunities for the next generation of community leaders and business owners in the Bridgeton area. This year, we are proud to partner with the Bridgeton High Baseball team and Coach Mike Valella to help make a trip to Cooperstown possible to play a game at Doubleday Field and tour the Hall of Fame. Through this opportunity they will get a chance to visit the museum, gain appreciation for community and history, play on a historic field and represent their home community. For many of the youth involved, this will be the one opportunity that they will have for this experience, and it is an incredible opportunity for the community to come together and provide that for them. As we look to build our youth and communities for the future, helping them enjoy and appreciate experiences like this will encourage them to continue to do the same for generations to come.

The Bridgeton Chamber of Commerce Foundation has already committed \$2,500 towards this trip. We are reaching out to other community individuals and organizations to help bring in the remaining funds to ensure there is no financial barrier to any of the players taking part in this great opportunity. We plan to put together a highlight video from the trip that will be shared out through social media where we'll recognize the sponsors who commit to making this trip a reality.

For Cumberland Regional, they are still deciding where to direct the \$2,500 that has been committed to them in support. They have various options they are considering that will be a direct benefit to the youth and provide a positive connection for those youth with the Chamber. As a Chamber, we are hosting two great events at the high schools to help connect the youth with the Chamber and local legislators. Through these two events, around 20 youth from each school will have the opportunity to meet their local district legislators, learn about local politics and learn more about our electoral process. We believe this is an incredibly positive and important way the Chamber can be involved with our area high schools and promote our next generation of leaders.

From Chamber President Jonathan Cummings

Jonathan Cummings is Executive Director of Revive South Jersey.

The Bridgeton Chamber is excited as we look to 2025 and the opportunities that are ahead for our community and the businesses in it.

Through our Foundation, we're excited to be partnering with Love Where You Live on various projects that will be making some major improvements to our public areas, especially the Cohanzick Zoo in partnership with the Bridgeton Rotary. Through our Government and Community Relations Committee, we're excited to be partnering with both Bridgeton HS and Cumberland Regional HS to host meetings with the Chamber Board, students and local and state legislators. These will be great opportunities for exposure for our up and coming business owners and leaders from the schools and for connection and questions for our legislators. Through our Hispanic/Downtown Business Committee, we're excited for Stephanie Gonzalez and Joe Cortez heading up this committee now and the synergy this will help provide with the UEZ efforts working together with the Chamber to best support our downtown Bridgeton merchants.

We have some additional opportunities for community engagement and support as well as the Chamber Foundation is supporting the Bridgeton HS baseball team to host a clinic in partnership with Bridgeton Little League to draw awareness to that great program. Through support we give them, they'll then be able to go to Cooperstown and enjoy an incredible experience and play a game there. We're providing similar support to Cumberland Regional HS. Yearly, we gather resources to provide scholarships to students from BHS, CRHS and CC TEC to help encourage our area youth towards furthering their education. If you are interested in supporting any of these great opportunities, please go to this link and donate: www.tinyurl.com/BACC2025Donate. If you as a business owner, or as an interested community individual, have ideas for improving our community and want to get involved through one of our committees, please reach out to the Chamber, and we'll happily see how we can work together with you to strengthen our community.

Chamber Celebrates Holidays with Bridgeton Rotary Club, Other Clubs

At the holiday meeting in December at Bridgeton High School, Bridgeton Rotary Club Foundation President and Bridgeton Area Chamber of Commerce Foundation President Barry Seay, present checks to the daughters of the late Sgt. Monica Mosley in her memory thanks to generous donations of Chamber and Rotary members.

In December, the Bridgeton Area Chamber joined the Bridgeton Rotary Club's nearly 8-decade tradition of celebrating the holidays at a meeting featuring entertainment by the student musicians of Bridgeton High School. The meeting, held in the Media Center of Bridgeton High School, included presentation of donations from the Chamber and Rotary Club to help the family of Sgt. Monica Mosley, deceased officer of the Cumberland County Prosecutor's Department, and donations to Bridgeton High School Music Department. A candle ceremony memorialized Chamber and Rotary Club members who have passed away and passing of the flame of service to others to the current and future generations. The students brightened the holiday spirit with beautiful music.

Deerfield Recognized for Innovation

Deerfield Township received the NJ League of Municipalities 2024 Innovation in Governance for its #DeerfieldPride program to help develop community pride and connection. Starting with the Mayors Wellness Campaign, the project worked to have the community see the Township Municipal Building as a resource and part of the community, and not just a place to pay taxes. With local business partnerships, a series of community activities presented by the Township, inspired healthier living, built community pride, and increased connection among residents and the government. Congratulations to Mayor Abigail P. O'Brien and all township officials and residents involved in #DeerfieldPride.
